Dear Friend,

Now in as little as four months, you can train at home to enter the exciting field of Criminal Justice! As a Criminal Justice Specialist you can make great money — start at $15 to $20 an hour, and earn up to $50,000 a year as your skills improve.

Criminal Justice Specialists make good money because they're key players in the law enforcement system!

Think of it this way — our courts, police and correction facilities, as well as security departments in the corporate sector, have a tremendous need for Criminal Justice Specialists. Nearly every legal action requires the services they perform.

Our country's legal system is extremely dependent on bailiffs, police officers, criminal investigators, correction officers and parole officers to do crucial work such as crime scene analysis, interviewing suspects and witnesses, gathering information, writing reports...the list goes on and on. *No wonder lawyers, judges and other legal professionals place such high value on qualified Criminal Justice Specialists!*

Compare these advantages with any other profession you can train for in such a short time.

What other career can you begin with as little as four months of training at home and earn up to $50,000 a year as your skills and experience increase? **Plus consider these unique benefits...**

- You can work as much as you want because you'll have the opportunity to work full-time *or* part-time.
- Work in federal, state and local government agencies...for police departments or correctional

Skilled Criminal Justice Specialists are in demand.
And it's not only the money that makes this such a great career.

Criminal and civil law is growing at a higher rate than many other fields. Think of the satisfaction you'll get working with attorneys and other professionals in the legal field. As a Criminal Justice Specialist, YOU are a vital part of the legal team!

Keep your present job while you gain experience.

After you graduate and get your Career Certificate, *you can keep your present job if you wish*. Make extra money doing part-

time, entry-level work in corrections or in the security field. Then build your income as quickly or as slowly as you wish.

As your knowledge and experience increase and you gain confidence, you'll know when you're ready to switch to a full-time schedule. Then you could be on your way to making the kind of money our outstanding graduates earn.

Criminal Justice is big business. Billions of dollars are spent each year on civil, criminal and corporate legal proceedings...

Criminal Justice Specialists are a vital part of the legal process. They conduct crime scene investigations, interview suspects and witnesses, and work with parole officers, correction officers and other legal professionals to keep the criminal justice system operating effectively. ***With millions of criminal and civil cases filed each year, it's not surprising that the field of Criminal Justice is projected to grow now and well into the future.***
