The list goes on and on. We suggest you research the job opportunities in the area that appeals most to you. The bottom line is that we'll do everything we can to help you succeed. That's our promise to you.

**No classes  
to attend!  
No schedules  
to keep!**

Here's the opportunity you've been waiting for! Get started today and be on your way to a promising, new career!

**Those with skills and experience earn great money and enjoy providing a service that really helps people.**

It's not just the great money—you are a vital part of the insurance team performing a valuable service.

**If you decide to start your own Claims Adjuster business, you can:**

- Set your own schedule
- Work when you choose
- Work part-time and build your business up to full-time

**We want you to have all the facts!**

To find out what the income potential is where you live, check the salary rates for Claims Adjuster positions in your local newspaper. You can also go online or to the library and check the U.S. Department of Labor statistics. We think you'll be pleased with what you find.

# It's so easy!

**Your first class starts as soon as you enroll.**

**Your lessons will be shipped right to your front door.**

- **Set your own pace**—as fast or as slow as you wish. Lessons are sent as soon as you need them. As you complete each assignment, you send it to your instructor for grading. Then go on to the next lesson—no need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.
- **No time wasted traveling to class or listening to what you already know.** The beauty of home study is that you are a class of one. If you don't understand something, the class doesn't get ahead of you. You just re-read your lessons as slowly as you wish. If you need special help, just contact your instructor by email or phone.
- **Your instructors are experts and they're ready to help you year-round.** Most of our students have very few questions. But if you do have a question, just send us an email or pick up your phone and call our toll-free number. An expert instructor will promptly respond with the clear, authoritative answer you need.
- **Open-book examinations take the pressure out of assignments.** We don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.

**Work full-time or part-time...  
the choice is always yours.**

**Opportunity! Great Income!  
Rewarding Career!**

A career as a Claims Adjuster offers you the opportunity to earn a great income doing exciting, prestigious work! And you'll gain satisfaction knowing you are really helping people at a time they need someone they can trust. Whether they've lost their home to a fire or come home to find they were burglarized, you will be the person they turn to for assurance that their insurance claim will be settled fairly.

**Your income potential increases with  
your experience!**

When we developed our course, we researched statistics compiled by industry compensation specialists and the U.S. Department of Labor. We discovered the median annual income for adjusters is over \$50,000, and earnings for experienced Claims Adjusters can exceed \$79,000 a year. And remember, adjusters commonly receive additional bonuses and benefits as part of their job!
