It's easy to take your first step toward an exciting career in **Massage Therapy**

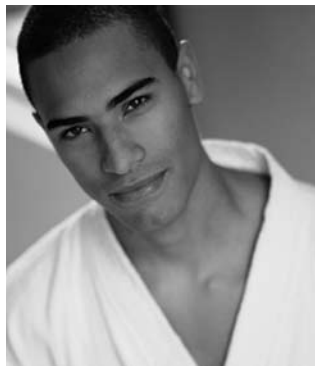

Now more than ever before, alternative health treatments are increasing in popularity! A national study published in the *Journal of the American Medical Association* reported that over the past decade, visits to alternative medicine practitioners jumped 47%. And during that same period, there were **62% more patient trips to alternative providers** than to primary care doctors!

Of all the forms of alternative health treatments, Massage Therapy is among the most popular. And healthcare is one of the largest growth industries in the U.S. today! The ever-increasing number of patients and clients from all walks of life who take advantage of the benefits of regular Massage Therapy is the reason that Professional Massage Therapists are in such great demand.

These skilled hands earn \$40, \$50, up to \$60 and more... for each and every massage they give!

**Work at home,
set your own hours!**

There is a high demand for skilled Massage Therapists because alternative healthcare is growing faster than most fields in the United States. Plus Massage Therapy is an exciting career! You can work at home or in glamorous facilities like hotels, resorts, spas, cruise ships...the choice is yours!

No previous experience needed...no need to quit your present job, because you train at home in your spare time.

You can be ready to start performing therapeutic massage at the pace that's right for you. Set your own schedule! No need to change your daily routine—no need to take time from family or job. You study when you have the time and when it's convenient. Just think, you can start right now because you are in a class of just one person—and if you want to take a vacation or other time off, your lessons wait for you.

These are just a few of the subjects covered in your course:

- Swedish Massage
- Sports Massage
- Energy Techniques
- Anatomy and Physiology
- Ethics and Communications

...Plus you get complete step-by-step video instruction, lessons and supplements. You also get our unique "Quick-Learn" System to help you learn professional medical terminology.

Plus, you receive hands-on training by our credentialed instructors, if you wish, at no additional training cost. You will be responsible for only your travel, lodging and meal expenses.

Included With Course!**

From the desk of Pam Weston, Founder...

We urge you to consider how great the demand for Massage Therapy is. The U.S. Department of Labor predicts "very good job prospects" for Massage Therapists in upcoming years, and fast industry-wide growth as more people learn about the benefits of Massage Therapy.

And now is the time to take advantage of this great opportunity. You'll find USCI makes it quick, easy and incredibly affordable to get the training you need. You need no previous experience in health, therapy or alternative medicine. Our step-by-step training includes everything you need—lessons, supplies, video instruction and hands-on training if you so desire.

Help is only a click or a call away...
just send us an email or call us toll-free!

Your instructors are as close as your computer or telephone. Just send us an email or call us toll-free. Our staff of instructors is on duty year-round to give you authoritative answers if you ever have questions.

Experts guide you step by step.

Faster than you ever thought possible, you'll be ready to start a new career as a Massage Therapist. You learn step by step from expert instructors with years of experience. Even beginners make fast progress because everything is explained in easy-to-understand language with plenty of examples to show you exactly what to do and how to do it. Your course even includes video demonstrations that help you develop proper Massage Therapy techniques. Nothing is left to chance!

You train at home, at your own pace, in your spare time. Look at how easy it is...

- **Start your course as soon as you are ready.** As soon as you enroll, your lessons are mailed to you. Everything is included with your course...all you need is access to a video player and a friend or family member to practice your technique.
- **Set your own pace...go as quickly or as slowly as you wish.** Videos, lessons and supplements are sent as you need them. As you complete each assignment, you send it to your instructor for grading. Then go on to the next lesson—no need to wait for the results of previous exams.
- **No time wasted traveling to class... or listening to what you already know.** You are in a class of one! If you don't understand something, you just re-read your lessons or if you need special help, send us an email or call us toll-free.
- **No classes to attend...no schedules to keep!** Talk about flexibility! Your USCI course couldn't offer you more. No classes, no rigid schedules, no commute, no

interruptions in your regular activities and commitments. You study when and where you want. What could be better than that?

- **Open-book examinations take the pressure out of testing...**we don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. Open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.
- **Could you start to work as a massage therapist before you graduate?** It's possible, depending on where you live. When you complete the academic home study part of your training, you will receive a letter recognizing your achievement. Since several states in the U.S. do not require special licensing to perform massage therapy, you may be able to begin working at this time or you may complete the course by attending

our on-site training under the guidance of our credentialed Massage Instructors.

- **Nationally Recognized Certificate.** We are accredited by the Accrediting Commission of the Distance Education and Training Council in Washington, D.C. You will be as proud to display your U.S. Career Institute Certificate as we are to award it to you.
- **Unlimited Career Support. A U.S. Career Institute exclusive!** Once you graduate, you will be entitled to unlimited career support throughout your career, for as long as you request it!

Compare the training, compare the opportunity, compare the personal satisfaction!
 You'll be way ahead when you train to perform Massage Therapy!

No classes to attend.
 No schedules to keep!

You get all this—to use in your course and your career!

Q&A Questions and Answers

- Q. Is Massage Therapy easy to learn?**
 A. Yes, because we show you everything step by step. If you can follow simple instructions and apply yourself, you can learn to perform Massage Therapy.
- Q. Do I need any previous education or experience?**
 A. You must be able to read, write and understand directions. You also need to have normal physical motor skills.
- Q. How much can I earn?**
 A. Professional Massage Therapists generally charge \$40, \$50, \$60 per massage and more.
- Q. How much work is available?**
 A. The demand for Massage Therapists is greater than ever before. The U.S. Department of Labor predicts a huge increase in demand for massage therapists in the healthcare and social assistance sectors.
- Q. When I'm finished with the course, how will I find work?**
 A. If you wish to use your massage training to become a Professional Massage Therapist, U.S. Career Institute will advise you on your job search and how to research requirements in your state.
- Q. Is U.S. Career Institute accredited?**
 A. Yes. U.S. Career Institute is an Accredited Member of the Distance Education and Training Council. The Accrediting Commission of the Distance Education and Training Council is listed by the U.S. Department of Education as a nationally recognized accrediting agency for distance education. Because of this, our curriculum, faculty, administrative procedures and policies are reviewed on a regular basis to ensure that we continue to meet the DETC's exceptionally high standards of quality.
- Q. What other credentials does U.S. Career Institute have?**
 A. We have been a state-approved school for more than 25 years. Thousands of men and women have received our training. If in the future you wish to transfer USCI credits, you should check with the receiving institution because requirements vary from place to place, and U.S. Career Institute makes no representation regarding transferability of credits.
- Q. If I'm in the military, can I be reimbursed for my tuition?**
 A. U.S. Career Institute is approved for GI-Bill, VA and MyCAA benefits. Military personnel, veterans or veteran spouses may be eligible. For reimbursement information, contact your VA education officer prior to enrolling.
- Q. Will my employer reimburse me for my tuition?**
 A. Some students may be eligible for full or partial reimbursement of their tuition by their employers. Your company may be able to take advantage of The Employee Education Assistance Act (IRS Code, Section 127). Check with your supervisor or personnel department.
- Q. Can I start to work as a Massage Therapist before I graduate?**
 A. It depends on where you live. Many states do not require any licensing at all...some states require a certain amount of hands-on or other training and some require you to pass either the NESL or NCETMB exams (both offered by the NCBTMB). Our program prepares you to sit for the NESL. We recommend that you check with your state or local agencies regarding requirements to work as a massage therapist prior to enrolling.
- Q. Are there any extras I must buy?**
 A. No. Everything you need to complete the academic home-study part of the course is included. You only need access to a video player and a family member or friend to practice your massage technique. In the advanced final stage of the program, you receive hands-on instruction from our credentialed instructors at no extra cost. The on-site training is held in Fort Collins, CO, where you are only responsible for your travel, lodging and meal expenses.
