Work for lawyers, judges and other legal professionals as a

Paralegal

Today, the demand for properly trained Paralegals is growing fast! Why? Because Paralegals are preparing more and more of the legal documentation that lawyers, judges, prosecutors and public defenders must have in order to do their jobs. *The U.S. Department of Labor states, "Paralegals—also called legal assistants—are continuing to assume a growing range of tasks in legal offices and perform many of the same tasks as lawyers."*

An in-demand career...great earning potential... and much more...

As a Paralegal you'll be a well-respected professional playing a crucial role on the legal team. You will meet fascinating people and find great satisfaction in performing services that truly help people.

You'll also have a career that opens the door to a wide variety of opportunities. You might choose to work for a Law Firm, Paralegal Service, Government Agency or Legal Aid Service. Or perhaps you'd rather work for a corporation in their legal department, in industries such as real estate, banking, insurance, entertainment, taxes, healthcare...the list goes on and on...and the choice is yours!

A great career in as little as four months!

No previous legal experience needed. Experts guide you step by step.

With our training you can count on learning everything you need to know to become a qualified Paralegal, even if your only contact with the legal profession until now has been your visits to your own attorney or something as simple as paying a parking ticket.

Experts guide you step by step but if you need a little help, simply email us or call our toll-free number.

Your instructors are as close as your computer or telephone. Just send us an email or call the toll-free number we send you as soon as you enroll. Our staff of instructors is on duty year-round to give you authoritative answers to your questions.
