Dear Friend,

Now in as little as four months, you can train at home to enter the exciting field of law! As a Paralegal you can make great money—\$15 to \$25 an hour, or even more as your skills improve.

Paralegals make good money because they're the lawyer's right hand!

Think of it this way—lawyers need Paralegals because nearly every legal document requires the services Paralegals perform. Our country's legal system depends on Paralegals to do crucial preparatory work such as research, preparation and analysis of legal documents, interviewing clients and witnesses, gathering expert opinions, writing case profiles, drafting wills and pleadings...the list goes on and on. *No wonder lawyers, judges and other legal professionals place such high value on qualified Paralegals!*

Compare these advantages with any other profession you can train for in such a short time.

What other career can you begin with as little as four months of training at home and earn up to \$50,000 a year, as your skills and experience increase? **Plus consider these unique benefits...**

- You can work as much as you want because Paralegals work full-time *and* part-time
- Work in private law firms...federal, state and local government agencies...legal aid services...or a corporation in just about any field you can think of
- Start your own Paralegal Service and be your own boss!

Criminal and civil law is growing by leaps and bounds—and the increased amount of legal documentation required means more and more work for Paralegals. In fact, the U.S. Department of Labor predicts that the Paralegal field will grow much faster than most industries in upcoming years.

Think of the satisfaction you'll get working with attorneys and other professionals in the legal field. As a Professional Paralegal, YOU are a vital part of the legal team!

Keep your present job while you gain experience.

Make extra money doing part-time, entry-level paralegal work and then build your income as quickly or as slowly as you want.

As your speed, accuracy and experience increase and you gain confidence, you'll know when you're ready to switch to a full-time schedule. Then you could be on your way to making the kind of money our outstanding graduates earn.

**Law is big business. Billions and billions of dollars are
spent each year on civil, criminal and corporate law.**

A vital part of the legal process requires that properly trained Paralegals prepare the necessary documentation in order for lawyers and other legal professionals to perform their services. With millions of criminal and civil cases filed each year, it's not surprising that the job of the Paralegal is projected to grow at a higher-than-average rate now and well into the future.
